

# Every Diver Counts:

Your support keeps our on-site Hyperbaric Chamber Ready!

Name (s) \_\_\_\_\_

Hometown \_\_\_\_\_

If AKR Guest: Dates of Stay \_\_\_\_\_ to \_\_\_\_\_

Cabin No. \_\_\_\_\_

The Cornerstone Hyperbaric Chamber and Clinic offers dependable hyperbaric healthcare to recreational and commercial divers in the region.

In addition to hyperbaric medicine, low-cost medical care is also provided to resort guests and the local community. Due to growing demand, what began as a small clinic in a 400 sq. ft. wood building has expanded to its current location and now encompasses an emergency room, x-ray room, two consultation rooms, an observation room, a laboratory, and a pharmacy – staffed by three medical doctors, an EMT and two laboratory technicians.

Cornerstone Chamber and Clinic has recently partnered with Divers Alert Network (DAN) in their effort in building an international network of chambers through DAN's International Preferred Provider Network (IPP). The objective of this international network is to ensure the availability of high-quality, cost effective and specialized medical care to DAN insured members. Through this partnership, the Cornerstone medical staff will receive continued education in hyperbaric medicine.

Amount of Donation: \$ \_\_\_\_\_

- Enclosed is my check, payable to "Cornerstone Re-compression Chamber"
- I'm a current AKR Guest; please add Donation Amount to my room charges.

Donations collected at Anthony's Key Resort and Coco View Resort provide the primary financial support of the clinic. We kindly request your continued support, as it is the key to keeping it open and available to all.

A minimum \$12.00 per diver donation is suggested, but please feel free to contribute any additional amount you're able to. While our commitment to safety is reflected in our excellent safety record, it is great to know that medical facilities and a hyperbaric chamber are ready — right on-site.

# Thank You!

**AKR HYPERBARIC CHAMBER – VOLUNTARY DONATION FORM**
