

# User Guide for Honduras Immigration Forms

Last update: June 14, 2021

Location of forms: <https://prechequeo.inm.gob.hn/Login>

## Getting Started

For arrivals, 3 forms should be completed.

1. Precheck (Prechequeo)
  - Have the precheck available on your phone if asked for it. Having it filled in will make your immigration process faster when you arrive in Roatan r as they have all the information pre-populated.
2. Customs Declaration (Formulario de declaración jurada de aduana)
  - Either fill out and print this form or wait to complete the paper copy given out on the plane. It will be asked for when you go through Honduras Immigration.
3. Health Form (Ficha de Vigilancia Epidemiológica de la Salud)
  - You are not required to print this form. Additionally, you will **not** receive any confirmation email.

When departing Honduras, you are asked to fill out the Precheck form online. It is not mandatory, but speeds up the immigration process for you and everyone else as they don't have to gather the information real-time.

### 1. Sample copy of the precheck

To complete the Health Form, you will also need a photo of the following to upload and attach. **The file format must be a JPG or PNG. PDF will not work.**

5. Passport photo page

This site works best with Chrome, Microsoft Edge or Mozilla Firefox. Mac users have reported issues with the site not working and also those with a Hotmail email.

Internet Explorer and Safari on Android mobile devices have issues. If you have an issue with any other device or browser, try using Google Chrome on a PC and failing that, try another device.

If using a PC, select English on the home page.

If you don't see this option, use Google Chrome and right click anywhere on the screen and select "Translate to English".

If neither of these options work, use Google Translate <https://translate.google.ca/?hl=en&tab=TT>

Screenshots included here use the English option which, by default, gives you the translation (except for the dropdowns).

*Tip: Don't change language midway through the form; it will erase everything you have entered.*

- You can register for a new account at any time.
  - If you have registered with the Immigration ALAM system for a Tourist Visa extension or Residency renewal, this is a different account. You need to register again.
- You must wait to complete the pre-check form within 48 hours of your arrival into Honduras (when you enter the flight date, it only allows you to select today, tomorrow or the next day).
- Forms for each family member can be created within the same account. Do them at the same time because if you do some now and the rest later, it can overwrite the first one(s).
- *Tip:* For dropdown lists, type the first few letters of the word you want to select and a list of matching words will be displayed.

If entering Honduras, print or save a copy on your electronic device. If printed, highlight your name, date of flight and pre-check number. If you are **leaving** Honduras, completing the precheck is optional and you do not need to print it.

To print the precheck, you would have received 2 emails to the email of the account you registered with. One if for the Precheck form and the other, if you completed it, would be the Customs Declaration. A precheck sample is shown on page 1 of this document. If you didn't receive the precheck email, you can print it through the method outlined below:

1. If you are on a computer, go to the home page (click on the house in the top left corner above the green box). Print the relevant form(s) using the icon with the red box show below.

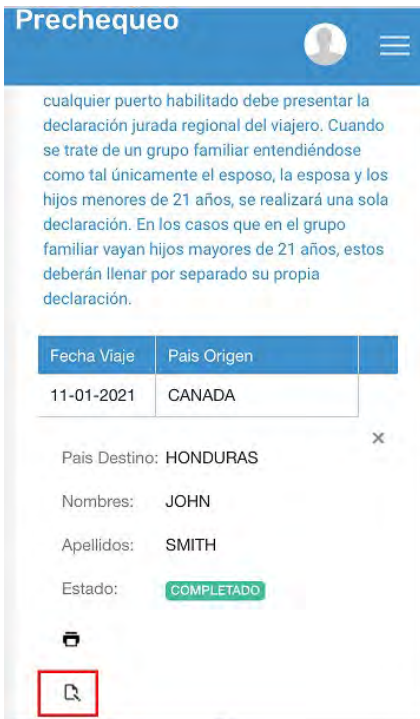

The screenshot shows the 'Prechequeo' website interface. At the top, there is a navigation bar with the logo of the Instituto Nacional de Migración and the text 'Sistema Integral de Control Migratorio'. Below this, there are two main sections: 'Current pre-checks' and 'Historical pre-checks'. The 'Current pre-checks' section shows 'Entry : 1' and 'Exit : 0'. The 'Historical pre-checks' section shows 'Entry : 2' and 'Exit : 0'. To the right of these sections is a link for 'Ficha de Vigilancia Epidemiológica de la Salud' with a 'Fill form here' button. Below these sections is a welcome message. Further down, there is a 'Customs declaration' section with a table of travel records. The table has columns for 'Travel date', 'Origin country', 'Destination country', 'Name', 'Lastname', and 'Status'. One record is shown for 'John Smith' with a status of 'COMPLETADO'. A printer icon is highlighted in a red box in the action column of this record. Below the customs declaration section, there is another table for 'Current pre-checks' with columns for 'Movement', 'Travel date', 'Document number', 'Name', 'Lastname', 'Nationality', 'Origin country', 'Destination country', and 'Revision status'. A record for 'ENTRADA' is shown with a status of 'APROBADO'. A printer icon is highlighted in a red box in the action column of this record.
